# cute cargo

With these eye-catching and entertaining products, shopping for your kids can be extra fun!

## EXPRESS YOURSELF

Adults aren't the only ones who need rest, relaxation and relief! From the long-running PBS series *Wai Lana Yoga* comes the *Daydream* DVD, filled with head-to-toe meditation, colorful cartoon visuals and soothing songs. Available at T.J. Maxx stores statewide.

## CARRIED AWAY

Tote your child's belongings (and your own!) in style with this red and black diaper bag by Poesis. This girl's best friend, shown in the Wicked pattern, includes a changing pad and matching clutch, and can be carried as a backpack, messenger bag or shoulder bag. Available at Vesta's in Little Rock.

## Ready, Set, Change!

Invented by Grace M. Welch of San Francisco—a mom herself—the patemm pad is the perfect portable solution to changing your little one. Shown here in the Lola pattern, the pad boasts a circular design with plenty of space for stashing diapers, wipes and more. Available online at patemm.com.

## ROCK STEADY

From Green Frog Art's Hannah Collection, add sparkle to any baby's room with this coordinated floral-print set, including a rocking chair—complete with a cushion and tassel—accent table, picture frame and table lamp with tassel. Available at Charlie in Little Rock.
